**UFCW Union Pension Plan (the “Plan”)  
Retirement Planning Seminar**

Retirement Planning Seminars have been put on pause due to the ongoing COVID-19 pandemic. While in person seminars are not an option at this time, we are looking at ways to provide the same information on a virtual platform to members of the Safeway, Overwaitea and Miscellaneous Divisions.

The seminars address a variety of issues pertaining to the retirement transition and experience, such as financial planning, health management, lifestyle considerations, government benefits, and legal issues. The Plan administrator provides information on the pension benefits available to you under the Plan.

Typically this program, in the form of a two-day seminar, is held on a Sunday and Monday. Please note, members can only attend the Retirement Planning Seminar once.

**We would like to gauge the Plan member's interest in attending a virtual seminar. If you are interested, please let us know by emailing us at [ufcw@bgbenefitsadmin.com](mailto:ufcw@bgbenefitsadmin.com) and state “Virtual RPS” as the subject line. A virtual session will be organized if enough members wish to attend.**
